(HI-MOES) 2012-2013

Teacher Name: _____

Phone #: _____ or _____

E-mail: _____

School Name: _____

School Address: _____

What grade(s) do you teach? _____

What subject(s) do you teach? _____

How many of your students would you like to participate in HI-MOES? _____

Do you currently do any field trips or outdoor education with your students? _____
If so, please describe:

Please explain why you are interested in participating in HI-MOES:

Are you currently participating in or planning to become involved with additional program opportunities on island? If so, please describe:

Please check all of the opportunities listed below which you would like to take advantage of:

- Year-long consulting support from outdoor educators from The Kohala Center or the Kohala Watershed Partnership for both classroom and field activities;
- Classroom presentations on oceans, bays, watersheds, the scientific method and statistical analysis;
- Presentations or site visits from cultural practitioners and scientists working in the area;
- Assistance with organizing and carrying out field trips to sites chosen for the research projects;
- Mini-grants to support project-related supplies and substitute teachers;
- Coverage of transportation costs for field trips;
- Access to curricular resources compiled to support the program;
- Training opportunities in the use of new technologies, including GIS (Geographic Information System) courses.

Please mail, e-mail or fax this back to The Kohala Center:
PO Box 437462, Kamuela 96743;
E-mail info@kohalacenter.org; Fax. 885-6707

For questions please contact info@kohalacenter.org, or call 887-6411

Mahalo!
