

PLANT A TREE OF LIFE

GROW 'ULU

The Breadfruit Institute and MA'O Organic Farms will be distributing Ma'afala breadfruit trees to residents on Oahu for planting in their yards and communities. This popular variety, originally from Samoa and Tonga, is an easy to grow tree, with a compact shape and delicious, nutritious fruit.

**Trees will be Distributed and Ready for Planting
Saturday, May 18. 9am-noon**

Fill out an application today to reserve your tree
