Republic Northwest, the parking vendor, gives the following instructions for the Piano Parking Lot:

- Do not park in an unmarked stall or your vehicle may be towed. They are for users with parking permits.
- Entrance thru the Ohe St. entrance is recommended.
- Park in marked stalls only (see highlighted area below):
 - If parking in stalls 1 to 50, please pay at the same-numbered slot at the pay box (e.g., park at stall 45, pay at slot 45);
 - However if parking in stalls 51 to 100, please pay at the slot marked 1XX at the cash box (e.g., park at stall 55, pay at slot 155, and so on)
- No receipt is given because the pay box is not electronic.

Please contact Republic Northwest at 585-8540 if you have any questions.
