Please answer the following questions to help us gauge your level of interest, experience, and potential to develop a successful commercial farm.

1. What are you looking to gain from our Beginning Farmer-Rancher Development Program?

2. What are your short-term farming goals (first three years)?

(e.g., Are you interested in farming full time or part time?

Do you have any ideas on crops and marketing plans?)

3. What are your long-term farming goals (five to 10 years)?

4. Do you have a business plan? Yes No

5. Do you have any farming and business experience? Yes No
If Yes, please describe.

6. Developing a commercial farm requires a significant investment of time and financing.
Please describe your situation as it relates to the resources to which you have access to start up your farm operation.
(e.g., Are you currently employed? Is someone else in your household able to cover/contribute to expenses? How much time will you realistically have to devote to this project?)

7. Are you currently farming? Yes No
If Yes, please describe what are you producing, if you are selling your products, and where.

8. Do you currently have access to farmland? Yes No
If Yes, please provide a brief description of the farmland available to you.
If No, are you actively looking for land to lease or purchase? Yes No

9. A limited number of farm apprenticeship opportunities are available for those interested in gaining hands-on farming experience. Would you be interested in committing to working one to two days per week on an area farm? Yes No

10. How did you find out about our Beginning Farmer-Rancher Development Program?
