PDE3 documents may be submitted digitally.

### To Apply

Apply online at [koha.la/kuainapa2017](http://koha.la/kuainapa2017) by June 23

### Partners include:

Dr. Koh Ming Wei, Dr. Debbie Millikan, and Ms. Amanda Rieux are co-authors of the Hawai'i School Garden Curriculum Map which is aligned to NGSS, Common Core, and the National Health Education Standards. Passionate about 'āina-based education, nutrition, food security, and engaging children with nature, they have been training teachers to use school learning gardens as an outdoor laboratory for the past 10 years.

Contact Ilene Grossman at [igrossman@kohalacenter.org](mailto:igrossman@kohalacenter.org) or 808-887-6411  
or Debbie Millikan at [dmillikan@iolani.org](mailto:dmillikan@iolani.org) or 808-223-7096 for more information.

*A project of The Kohala Center's Kū 'Āina Pā School Garden Teacher Training and Hawai'i Island School Garden Network programs.  
The Kohala Center is an equal opportunity provider, employer, and lender.*
