

# Accounting and QuickBooks for Farmers

**September 17-20, 2019**  
5:30–8:30 p.m. each evening

UH Maui College  
Ka Lama 206A  
310 W Ka'ahumanu Ave  
Kahului, HI 96732

This QuickBooks workshop is intended for businesses actively producing agricultural crops for commercial sales. It is best suited for those who want to increase their accounting skills by using QuickBooks (QB) software for farm financial recordkeeping. Registrants should already be using QuickBooks (desktop or online version) and have some accounting experience.

This four-day, in-lab session will cover chart of accounts set-up, cash receipts and accounts receivable, cash disbursements and accounts payable, Hawai'i excise tax reporting, and customizing invoices for your farm.

Computers will be available in the class for you to access your online version or attendees should bring their laptop computers and have access to QuickBooks.

Registration is \$40 per person. Space is limited to 20 participants.  
Register by September 15 online at [koha.la/quickbooks-maui](http://koha.la/quickbooks-maui)  
or contact Eric Bowman at [ebowman@kohalacenter.org](mailto:ebowman@kohalacenter.org) or 808-887-6411.

Program 2501

Funded with support from AgriLogic Consulting and USDA Program 2501.

*Workshop made possible by USDA RME Partnership Agreement #RM18RMETS524C007. The Kohala Center is an equal opportunity provider, employer, and lender.*
