

Cover Crop Field Day

Lecture, farm tours, and soil health demonstrations

Featuring:

Dr. Ted Radovich,
College of Tropical
Agriculture and
Human Resources,
University of Hawai'i

Amy Koch,
U.S. Department
of Agriculture's
Natural Resources
Conservation Service

The Cover Crop Field Day will include a discussion on common cover crops used in Hawai'i, seeding rates, and incorporation techniques. Dr. Ted Radovich, associate specialist at the University of Hawaii's College of Tropical Agriculture and Human Resources will lead a classroom discussion in the morning, followed by a tour of a winter field trial at The Kohala Center's Demonstration Farm and one other farm (to be determined) in Hāmākua. Amy Koch, assistant director for soil science at the U.S. Department of Agriculture's Natural Resources Conservation Service, will conduct soil health demonstrations.

Saturday, February 27
9 a.m. to 3 p.m.
Honoka'a, Hawai'i Island
