117 Keawe St

## WAIMEA

Monday, April 23

6–8:30 p.m.

Mānā Christian 'Ohana,  
67-1182 Lindsey Rd

QuickBooks is an accounting and bookkeeping computer program that helps businesses track income and expenses, create invoices and statements, and produce financial statements. The workshops will cover **accounting basics** and **how to read P&L and balance sheets**, as well as provide an **introduction to QuickBooks** to help attendees decide if the software is right for them.

Representatives from The Kohala Center and Hawai'i Small Business Development Center will be on hand to answer questions about their small business support programs.

Registration is \$15 per person and space is limited.

To register, visit [koha.la/quickbooksintro](http://koha.la/quickbooksintro)

or contact The Kohala Center at 808-887-6411.
