

Kauai Ag Producers: Have you ever wanted to master **QUICKBOOKS™ Desktop?** ***Now is your chance!***

This QUICKBOOKS™ Desktop Workshop is

reserved specifically for businesses actively producing an agricultural crop for commercial sales. It is best suited for those who want to increase their accounting skills by using QuickBooks™ Desktop software for farm financial recordkeeping. Eligibility will also require that attendants are already using QuickBooks™ Desktop and have some accounting experience. During this 4-day, in-lab session you will cover chart of accounts set-up, cash receipts and accounts receivable, cash disbursements and accounts payable, Hawaii excise tax reporting, and customizing invoices for your farm. Space is limited to 12 producers – first come, first serve. **Deadline to register is August 15, 2017.**

**If you meet eligibility requirements, contact AgriLogic at
hawaii@agrilogic.com or 844.221.5982 to register**

Computer and software are provided during class sessions ONLY

Cost of Class = \$25 due upon registration payable to KCC-OCET

4 Day Course

**August 21st, 23rd,
25th and 28th
from 9 am – Noon**
